

NEIGHBORS HELPING NEIGHBORS

Friday August 20th

Friends of Annya Golf Tournament

College Golf Course of Delhi

9 a.m. Shotgun

We, the Friends of Annya Walker, a non-profit group of local community volunteers will be holding a fund raising golf scramble tournament to support the health care needs of Annya. Annya is a Delhi native and graduate of Delhi Academy. She was a Rotary exchange student and was on the golf team and Volleyball Teams at DA and worked at The College Golf Course at Delhi for two years. She was also in the 4H and Girl Scouts. She obtained degrees from Coastal Carolina and the University of Charleston after graduating from DA.

Three years ago, at the age of 35. Annya suffered a series of burst brain aneurysms that nearly took her life. She has subsequently had three surgeries and has another scheduled for October. Our goal is to raise \$50,000 to help offset the co-pays, deductibles and other expenses associated with her care.

Please join her mother, Vivian Walker, who works at The College Golf Course at SUNY Delhi in a day of fun and to raise money for a good cause on Friday August 20th, Shotgun start at 9 a.m.

On behalf of Annya and Vivian, thank you for your support.
